ARTICLE 1.

Citizen Petition

To see if the Town will vote to affirm that the vote taken on Article 14 at the Annual Town Meeting of May 8, 2018 was based in part upon a visual presentation made by John Catlin of Catlin + Petrovick Architects that presented a "Program Menu" dated 23 March, 2018 of 25 individual areas containing 20,537 NSF (24644.40GSF) as well as the design layout. Layout A1.0 shows Level 1, Adult Center of 10,500 gsf AND the Gymnasium of 8,275gsf. The second floor is Level 2 (A1.3), of 5425gsf. There was no mention at any time during the article presentation that the town meeting vote was to be for other than for the plan as presented. Subsequent to town meeting, there have been major alterations to the approved design. I move the project continue as presented and approved by town meeting on May 8, 2018, or take any other action relative thereto.

On May 8th 2018, Annual Town Meeting, Article 24 voted to raise and appropriate the sum of \$14,000,000.00 for the purposes of constructing and furnishing a new Council on Aging Facility. The facility presentation by the Building Committee was specific to presentation made at the time by Catlin + Petrovick Architects. Since that time, the design of the Facility has changed significantly. This petition seeks to bind the Town to the article's intent passed May 8, 2018.
